Dear Parents/Carers,

Year 5 Trip to the Science Museum – 12th and 13th September 2107

As part of our autumn topic 'Space Explorers' we will be visiting the Science Museum on Tuesday, 12th September and Wednesday, 13th September, so each day we will take a class and a half (approx. 45 children). As we will be travelling on public transport (train and tube) we would like parents/carers to volunteer to come with us. We are hoping that each adult will have a small group of just four children.

Because the trip is at the start of the new school year, we need to organise parent helpers as soon as possible.

Please can you consider volunteering for one (or both) of the days and let us know on the reply slip below. Thank you for your support.

Yours sincerely,

Year 5 Team
